

Are you a dedicated, reliable, fun, & exciting person with a real heart for working with people?
Have you got experience and skills in working with children with autism?
Are you available during school holiday times? **If so, we want to hear from you!**

We are very excited to be supporting the Bristol Autism Project's holiday activity programme this year and next. This will involve a programme for Bristol children with a diagnosis of autism aged 5-18 and their families across the school holidays July 2018-March 2020. The programme will include activities such as swimming, climbing, picnics, Hop, Skip & Jump sessions, cinema and other activities. As activities will be based in different locations across Bristol and South Gloucestershire, you should have access to transport to be moving around the area in different locations each day.

We are looking for enthusiastic and experienced staff to work with us!

The programme will be overseen and managed by a Team Leader. Each session will have 2-4 Support Assistants, as well as a team of volunteers who will be responsible for running the activities.

The activity programmes are still being planned but activities generally will be a half day (2-3 hours) or a full day (up to 6 hours), Monday-Friday during school holidays (excluding any Bank Holidays) with staff having extra time for vital brief/de-brief before and after each session.

We have vacancies for **Assistant Support Workers and Volunteers:**

Rate of pay for assistant Support Workers is £8.26p.h. if unqualified, or £9.25p.h. if qualified to level 3+ in a relevant field. Hours varied dependent on activities. Staff may offer to work 1-5 days each week.
