

Are you a dedicated, reliable, fun, & exciting person with a real heart for working with people with learning disabilities?

Have you got experience and skills in teaching adults with social and learning disabilities, including autism?

Do you have experience in teaching employability skills for people working in the catering or 'front of house' industry?

If so, we want to hear from you!

We are looking for an adult tutor to deliver our commissioned courses through the Community Learning Team - for 6 courses before the end of July 2019.

We have a dream to start up a social enterprise project running an outside food kiosk. These courses will give the skills and learning we need in order that we may employ adults with mild learning and social disabilities for this project!

The sorts of things you will be teaching include basic work skills, money handling, customer services, food preparation and cooking, food hygiene and safety. It is expected you will have experience of running courses such as these in the past.

We are an ASDAN approved centre and therefore we can utilise ASADN course modules to give a framework for these courses - or you may have your own ideas!

The courses will each be 2 hours per week for 7 weeks, and to be held in 2 venues – one in Filton and the other TBC in Bristol.

Rate of pay £11.09p.h. if qualified to level 3+ in adult education (AET or PTLLS). A suitably experienced trainee may be accepted. Hours including planning and delivery time of up to 32 hours per course.

We are looking for an enthusiastic and experienced tutor to work with us to make this dream a reality!

Posts are subject to application form being completed and returned, shortlisting, interview, successful references, DBS check and induction training session.

Please read the full job description and complete and return an application form by December 10th if you think this may be just the job for you!
