CELEBRATION EVENT

April 8th, 12-3pm

Welcome to our free Golden Egg Trail to celebrate the 50th anniversary of St Andrews Methodist Youth Centre!

We've hidden 50 golden eggs across the Filton area to make up this free trail. Each egg has a word printed on it - find the eggs and write the words into the story below - which will tell you a story about the history of Filton and of the Youth Centre. You can complete the trail in any order you like.

The Trail will be running Wednesday March 8th - Saturday April 8th and then you are invited to please come and join us for our community celebration event on Saturday April 8th.

When you've completed the trail, please take your completed map to Filton Library or to FACE at St Andrews Methodist Youth Centre in order to pick up your free button badge!

Bring your completed trail map to the event on April 8th in order to be entered into the free prize draw for our Golden Egg Hamper!

We would especially like to thank our kind sponsors Rolls-Royce and Filton Veterinary Centre. Thanks as well to all of our Egg locations, Brand51 for their design expertise, Greggs and Warburtons for bakery donations for the celebration event and South Gloucestershire Council Members for their kind financial contribution - without all their support this free trail and celebration event would not have been possible!
